

Lowton

Church of England High School

Role: Teacher of Science

Contract: Full time, permanent

Salary Range: MPS\UPS

Start Date: January 2027 or earlier

Introduction

Thank you for your interest in this position. I started as the new Headteacher at Lowton Church of England High School in January 2025, with extensive headship and school improvement experience, and I am privileged to hold the post here. Through this applicant pack, I am proud to welcome you to our school and hope it provides a very clear insight into 'Life at Lowton' and into what makes it such a special place to work and learn.

Lowton Church of England High School is a 'Good' school in all areas (Ofsted, March 2023) and we are on a mission – to provide an exceptional education for every young person that we serve in our school community so that their life chances are transformed.

Lowton's most recent inspection report talks about the 'transformative improvements' in the school in the last few years, reflected in our culture, ethos, quality of education, outcomes and behaviour. You can read the full 'Good' report here: [LCEHS Ofsted Report](#)

Our school values are at the heart of everything we do and of everything we ask of ourselves, of our pupils and parents and of our wider community. Everyone is valued in our school and we focus daily on creating a sense of belonging, of high aspiration and of personal excellence and achievement for every pupil, every member of staff and for every family we serve. We believe that our collective ambition, care and commitment are demonstrated through the challenge we offer to everyone to work hard to be the very best they can be and be truly proud of their identity, their school and their community.

You will hear us use the phrase 'ruthlessly compassionate', meaning each and every day we have the resolve, commitment and highest of expectations to do the right thing for every child, because every child has the right to an exceptional education.

Our school is underpinned by its Christian values of *Caring, Learning and Succeeding*. They define the culture of the school. We test all we do through the lens of what is right for each child. We are committed to ensuring that each young person we work with can '*let their light shine*' and understands their potential and the positive impact they can have on themselves and others.

Lowton is not just a secondary school, it is a family; where all of our pupils are nurtured and cared for while being challenged and supported to be resilient, confident and successful learners and human beings who are ready to make a valuable and positive contribution to society.

The future at Lowton is exciting! The conditions are perfect for us to continue our journey towards being exceptional in all we do. We are now looking for a committed and aligned individual with drive and passion for the school's ambition to raise and support the aspirations of all pupils and bring about a love for and success in Science.

We have a high-quality curriculum, a dedicated and highly skilled staff team and a values-driven leadership team. In applying for this role, you could be part of our exciting journey.

Jane Galbraith

Headteacher

About us

We are an 11-16 comprehensive school of around 800 pupils, with an established reputation as a welcoming and forward-thinking learning community.

We pride ourselves on our high expectations in a culture in which pupils can flourish, thrive and succeed. Our staff surveys and inspection surveys outline that staff are proud to work here.

Being located on the Warrington/Wigan border gives us a Warrington postcode but we are part of Wigan Local Authority. We serve our community with most pupils living locally in the town of Leigh and the village of Lowton. Our pupil intake is broadly average in terms of prior attainment and pupil deprivation. The vast majority of pupils speak English as a first language but you will work in a school that has exceptional pupils from all walks of life and staff who truly care about the impact of their work.

As a Church of England School, the Christian faith shapes everything we do. We strive to demonstrate to pupils that each one of them is of infinite worth as a child of God and they are the 'lights of the world', who can make a positive difference to the school and the community in which we live and serve. Our admissions policy does not require pupils to attend Church, rather we pride ourselves on being a mission-led school in the community for our community.

In considering this role, *you* do not need to be Christian to work here, but we expect staff to be fully supportive of the values that underpin all we do as they are central to our approach in all things.

In a recent parent survey, our parents told us...

- **97%** would consider recommending Lowton to another interested parent.
- **94%** agree that their child is getting the appropriate amount of work.
- **93%** agree that communication from the school is informative and helpful
- **92%** agree that their child is well supported in their learning
