WELCOME TO LOWTON CHURCH OF ENGLAND HIGH SCHOOL

Thank you for considering Lowton Church of England High School for your child's secondary education.

My name is Jane Galbraith and I am privileged to hold the post of Headteacher at Lowton Church of England High School. I am delighted to welcome you to our school. I am proud to introduce you to our prospectus and hope that this provides a very clear insight into 'Life at Lowton' and into what makes it such a special place to work and learn.

Everyone is valued in our school and we focus daily on creating a sense of belonging, of high aspiration and of personal excellence and achievement for every pupil, every member of staff and every family that we serve. We know that our traditional Christian values help our pupils to be the best that they can be in all aspects of life.

We offer an outstanding education through high quality teaching and learning, excellent behaviour and a wide and ever-growing range of opportunities beyond the classroom.

The best way to look at a school is to see it 'live' and I am particularly keen that prospective parents visit us during the school day so that you can see lessons and talk to students and teachers. Please don't hesitate to contact the school office if you would like to make an appointment. I would also encourage you to visit our school website at www.lowtonhs.wigan.sch.uk where you can find out more about the life of the school.

Lowton Church of England High School is a vibrant and exciting place in which to learn and I look forward to welcoming you as part of our school family.

Jane Galbraith
Headteacher

AND SUCCEEDING**

**A WELCOME
FROM OUR
HEADTEACHER**

» OUR ETHOS

Lowton Church of England High School is a mission-led school, defined and driven by our Christian values, in our local community and for our local community. Our aim is to provide an exceptional education to prepare our students spiritually, socially and academically for life.

Inspired by the Biblical text '**You are the light of the world**', we celebrate every student's unique worth and challenge them to make a positive difference in the world we share.

"Strong relationships based on the Christian values of trust, compassion and respect are reflected in the good behaviour of the students and their high degree of care and concern for others."

SIAMS Inspection

“All the older students look after the younger ones so it is like being in a big family.”

CARING

At our school, we strive for excellence in all we do so that every adult and student flourishes, thrives and succeeds. Our Christian values are at the heart of everything we do.

We are committed to 'caring, learning and succeeding' and to ensuring that each young person we work with can 'let their light shine'.

As a school, we are committed to seeing life through the lens of the child. As a result, we put young people first in all we do; pupils are listened to and heard. We ensure that each unique individual feels recognised, valued and respected.

"Pupils celebrate diversity. They feel comfortable to be themselves. They respect differences between people."

Ofsted 2023

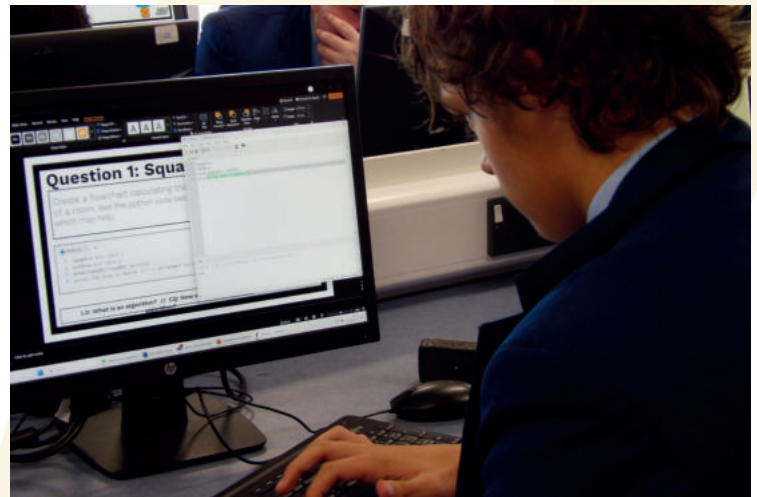

At Lowton, pupils are taught well to gain knowledge in a range of inspiring academic, creative, and technical subjects. We deliver a broad and balanced curriculum which prepares pupils for the world beyond the school gate. Through learning life chances are enhanced and doors are opened to a bright future.

Pupils are taught in well-planned lessons which take place without interruption and builds on knowledge which has been taught before. Pupils are fairly recognised and celebrated for their achievements within lessons.

Every pupil at Lowton is given a life-enhancing encounter with the Christian faith. We are proud to be a Church of England school as it means we have the opportunity to provide an excellent education whilst developing Christian values in and across our school community.

“Teachers have strong subject knowledge and present information clearly.”

Ofsted 2023

We offer a broad range of subjects that allow all students to follow a pathway that is right for them.

Learning beyond the classroom is an important part of school life at Lowton. Pupils develop their talents, leadership and aspirations through a wide range of extra-curricular activities.

The extra-curricular opportunities we offer ensure pupils develop passions, build confidence and are well-equipped to succeed in life.

Pupils are encouraged to participate in school showcases and musicals, to join team sports and represent the school, and to join in with a wide variety of clubs which will broaden their horizons.

Each year we offer pupils at Lowton opportunities to take part in a range of education and enrichment trips. These include theatre outings, adventure and outdoor learning trips to the Lake District, university residentials and leadership training courses, alongside a wide range of careers visits and experiences.

As a school, we take every available opportunity to encourage independence and develop resilience. Our Prefect and Ambassador programmes allow pupils to obtain leadership skills, strength of character and a strong sense of personal responsibility.

At Lowton we understand how important it is to provide a platform for pupils to socialise with their peers and to enjoy shared experiences whilst developing a strong sense of identity and belonging.

“Pupils enjoy a good quality of education.”

Ofsted 2023

“Taking part in extracurricular clubs is fun and helps you develop life skills like leadership and communication.”

Year 8 Student

SUCCEEDING

Pupils are given the opportunity to develop their talents, aspirations and leadership qualities. They are appreciated for individual merit and encouraged to achieve their personal best.

During their time at Lowton, we will provide pupils with a wide range of option choices, careers guidance and pastoral support alongside an exciting and rigorous curriculum that will engage and challenge. Pupils here receive an excellent education whilst being nurtured and supported.

At Lowton we 'strive for excellence' in all we do to ensure that every person within our community flourishes, thrives and succeeds. We equip our young people with the skills and tools they will need in the next stage of their education and into their adult lives.

"Pupils are happy and keen to learn."

"They achieve well and they are well prepared for the next stage of their education."

Ofsted 2023

Everyone is set challenging targets and we are clear on what we need to do to succeed and reach our full potential.
