Dear parents and carers

Assembly theme this week

In Years 7 to 10 this week, we have been focused on the theme of 'ambition'. As you know, each day we ask each student to think about being the best version of themselves and that in all they are and in all they do, they let their light shine.

There will be days that go well, some less well, but each day is a new one. Whatever the storms of life, the following video was used to make the point that our beliefs and ambitions will help us get through in the longer term: 'Once the seed of faith takes root, it cannot be blow away, even by the strongest wind'

You can view one of the videos used here: <https://www.youtube.com/watch?v=sVPYIRF9RCQ>

Reminder of school closure day: As you will be aware, we are closed all day tomorrow, Friday 24 November. There will be no staff in school. School reopens on Monday 27 November.

Year 11 and Year 10 (early entry RS) Mock examinations: Year 11 will have a full suite of mock examinations starting on Monday 27th November. Most students in Year 10 will also have a mock for their early entry RS GCSE.

You can find the full programme of exam, including dates and time here:

Please make sure your child is in school on time to do their very best in these important exams. Good luck to everyone in Years 10 and 11.

Flu immunisation Programme: We are offering Flu immunisations to all students. These will take place in school on **Thursday 7th December**. The immunisation can be via nasal spray or injection and will be administered by Intra Health Nursing Team.

If you would like your child to be immunised you need to give your consent. You can do this by clicking on this link: [Parental Consent for Flu Immunisation](#). Please complete the consent form by **Monday 27th November**. If you would like to find out more information, or contact the Immunisation team, please click on this link: [Flu Immunisation Information for parents and carers](#)

Thank you for your support at all times.

Yours faithfully,

Kieran Larkin
