Dear parents and carers,

## Spring 2 Week 2 Parent Letter

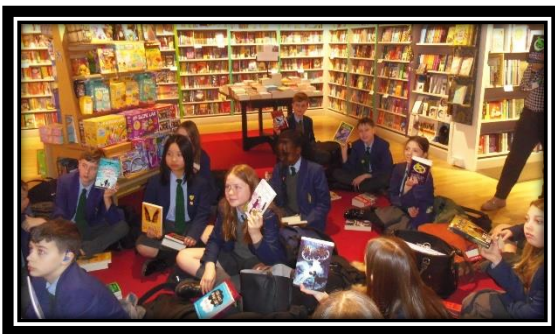

## National Careers Week

It has been such a busy week in school. There have been so many events for our pupils to be involved in, all connected to National Careers Week and getting them to think about their future and their 'life after Lowton'.

I want to take this opportunity to say a huge thank you to Mrs Ashton and her team for all of their hard work in putting together such a comprehensive programme of events, especially the Enrichment Day on Thursday.

All of our pupils in Years 7, 8 and 9 got to visit the Careers Fair held in school whilst Year 10 pupils had a fabulous day sampling the courses on offer at Wigan and Leigh College, and Year 11 had the privilege of listening to employers from a variety of workplaces including the BBC, NHS, Dyson, Sellafield and Volkswagen.

I am very grateful to all of the visitors who came to school to work with our young people: for their enthusiasm, commitment and passion for helping our pupils to make positive choices for their futures. It was so lovely for staff to see some of our former Lowton pupils amongst those expert speakers too (although it did make some feel rather old!)

I also want to say how proud I am of the pupils who have given such a brilliant account of themselves this week. All of the employers who visited school, and the college staff working with Lowton pupils on Thursday, have taken the time to tell me how well mannered, well behaved and articulate they all were. They absolutely made the right impression and we all know that first impressions really matter! They are a credit to you, to themselves and to school and they should be very proud of themselves.

If you would like to see for yourselves what National Careers Week and Enrichment Day have involved at Lowton, please have a look at our Facebook page where we have shared lots of photos from the week's events.

Thank you, as always, for your continuing support of our school.

Yours faithfully
