Dear parents and carers,

Summer 1 Week 3 Parent Letter

Year 11 – ‘The Big Send Off’

This week we celebrated with our Year 11 pupils and wished them the very best of luck with their GCSE exams through their ‘Big Send Off’. There was not a dry eye in the room as the Year 11 team, Mrs Black, Mrs Jordan, the Senior Prefects and myself all gave speeches and presented awards to the pupils. There were so many pupils who were nominated for awards which speaks volumes about this year group as a whole. Their form tutors spoke with love and care for the pupils, telling us fondly of their memories and regaling us with funny stories along the way. They also offered the sincerest and most heartfelt words of advice and encouragement to the pupils for the exam season and for their lives after Lowton. All of this was then followed by the ‘Clap Out’ where the whole school lined the school site and applauded the Year 11 pupils as they walked out, wishing them well for the future. A photo gallery and video footage are available on our Facebook page so that you can share in the celebrations.

Year 11 – please be on time for your exams!

The big, full year group exams begin on Monday with GCSE English Literature. Please can I ask that if your child is in Year 11 you encourage them to be in school early throughout the exam season. There is nothing more stressful than being on the last minute, struggling to find your seat number and not then feeling settled from the very start of the exam. Time is precious in every paper so let's be as early as we can be! Everyone has been working hard for the exams. I hope that their hard work and commitment is rewarded with some excellent results. Good luck to everyone in their exams!

Congratulations!

Congratulations again go to our Year 7 football team who have had another busy week of fixtures, with a further three matches played this week. Like last week, the boys continued to be free scoring beating their first opponents comfortably with some fantastic goals. Then followed two tough matches but with some good football, well taken goals and a solid defence we ran out with 3 wins out of 3, scoring 13 goals and conceding only 2. Well played everyone!

One match remains and the boys need to win to finish in the league positions that qualify for the Wigan Schools Cup. Good luck boys!

CARING, LEARNING AND SUCCEEDING

You're invited...

... to our Annual Art and Photography Exhibition on **Monday 9th June**.

The exhibition will take place from 4.30pm - 6.00pm in school and is a fantastic opportunity for family and friends to view the outstanding talents of our pupils and share their success.

The Arts are extremely important at Lowton Church of England High School, and we feel it's really important to showcase and celebrate the work our pupils have created.

There will be a range of Fine Art and Photography work for you to view and light refreshments will be provided. There is no charge for this event, but to help with planning we ask that you ring school to reserve your place at the exhibition.

Thank you, as always, for your continuing support of our school.

Yours faithfully

Jane Galbraith
Headteacher
