

Lowton Church of England High School

20 June 2025

Dear parents and carers,

Summer 2 Week 3 Parent Letter

Lowton
Church of England High School

Exam Season

It's been another busy week at school with many events taking place. Wednesday saw the very last of the GCSE exams for Year 11. We're so proud of the way that the Year 11 pupils have conducted themselves throughout the exam season. They have been a credit to themselves and to you as parents. We all hope that they enjoy a hard-earned break now, have a fabulous fun-filled summer and that their hard work is rewarded with a stellar set of exam results in August.

For Year 10, the hard work continues as their mock exams run until Wednesday 2nd July. Good luck to all of our Year 10 pupils!

Careers Events

This week has seen lots of our Year 8 and 9 pupils on trips and events linked to Careers. They have had a brilliant time at the STEM challenge at Manchester University, on a workplace safari with the NHS at North Manchester Hospital and at the 'Big Bang' Fair in Birmingham. I am so pleased that our pupils are able to make the most of these opportunities and thank you for your support in helping to engage and enthuse your children with these events.

Warmer weather

As the weather has been a lot warmer this week, we have informed pupils that they do not need to wear their blazers around school. Given the heat, they do not need to wear a coat or hoody/jumper either. I would be grateful if you could remind them to leave their best leisure wear at home! These changes apply for **this week only**. We will keep a close eye on the weather forecast and keep this under review after the weekend.

Homework Survey

As the school year draws to a close, we are reviewing and revising some of our systems in school. One of the areas we are focusing on is homework. There is a very short questionnaire which has appeared on Satchel One for all pupils today linked to this. Please encourage your child to complete this short questionnaire by 27th June 2025, to help us improve the homework offer in school. Homework is a crucial part of learning and our 'Revise' strategy. It reinforces classroom learning alongside developing independence and essential life skills such as time management. We would like for pupil voices to be heard as we refine our processes and update what we do. Here is the link: <https://forms.office.com/e/tAj6CzSivv>

Thank you, as always, for your continuing support of our school.

Yours faithfully

Jane Galbraith
