Wigan Council SEND Survey

Wigan Council staff have asked us to share the information below with you so that you can respond to the survey, if you want to.

Your experience matters. Have your say!

Parent carers of children/young people (aged 0–25) with special educational needs and/or disabilities (SEND) in [#Wigan](#) Borough, we invite you to take part in this year's [#SEND](#) survey.

Wigan Council and Wigan Parent Carer Forum are working together to listen to the real experiences of families. What you share will help us understand what's working well and where change is needed — so we can help shape better support and services together.

Your voice is so important, and we truly appreciate your time to complete.

One survey per child

A diagnosis is not needed

All responses are anonymous and handled with care
