

18th September 2025

Dear parents and carers

GCSE Revision Guides

Leading up to the Mock Examinations between Monday 24th November and Friday 12th December, teachers will be helping to ensure your child does as well as possible. For both mocks and final GCSEs, revision guides are a great way to structure revision and access essential information to support revision.

As a school we can access significant discount by ordering bulk purchases of revision books. The table overleaf shows the revision books which are recommended by each department with the relevant discount available if ordered through school.

There are many revision guides advertised in shops and online – not all of them are either suitable for the courses we do, or of suitable quality. The ones listed are the ones we recommend. If a subject is not showing on here, it may mean that they will be providing resources in another way and will be in touch with you separately.

In addition, you will see on the list, the school will be purchasing some revision guides and providing these free of charge to students. Unfortunately, we are not able to fund all of the revision guides in all subjects.

If you would like to buy any of these books, you can order online through SCOPay by logging on to your SCOPay account and going to the 'products' window.

Alternatively, you can complete the form overleaf and ask your child to put it into the Finance Drop-Box with your payment. Please make cheques payable to **Lowton CofE High School**.

All orders both online and by the form overleaf must be made by Thursday 25th September

If you have any questions regarding payment, please contact our finance team at finance@lowtonhs.wigan.sch.uk

Yours faithfully,

Mrs Carri Black
Head of Y11
