Dear Parents and Carers,

Spring 1 Week 4

This has been a really busy and positive week for so many of our students. If you follow us on Facebook, I hope you are enjoying seeing our students shine in many subjects in our 'Lessons in the Limelight' feature each week. It is so lovely to see so many young people so positively engaged in their learning and proud of the work they are doing in their lessons.

Traffic disruption – thank you

Thank you for your support with the later start to the school day on Tuesday, due to the fallen tree and major traffic disruption near the Fire Station. We appreciate your patience and understanding and we were very glad to see so many students make it into school despite the travel challenges.

School Sport Update

Our Year 7 netball team have been in action again this week and were looking to maintain their 100% record in the league as they faced Golborne.

The game started strongly as they took two early chances to move into a 2-0 lead. However, despite dominating possession in the final third, we struggled to convert. This led to some panic and a clinical Golborne side took their chances, levelling the game at 2-2 at half time.

After the break, the girls found their flow! With more composure, they snuffed out any threats from Golborne, and some excellent link up play led to a flurry of goals. Final score 8-2. *Well played girls!*

Thank you, as always, for your continuing support.

Yours faithfully,

Jane Galbraith
