

19<sup>th</sup> May 2026

Dear Parents and Carers,

**Invitation to Annual Creative Exhibition: Monday 8<sup>th</sup> June 2026**

The Art and Design Technology department would like you to join our pupils in a celebration of their achievements in our annual Creative Exhibition.

The exhibition will take place on Monday 08<sup>th</sup> June 2026 here in school. This is a fantastic opportunity for family and friends to view the outstanding talents of our pupils and share their success. The Arts and Technologies are extremely important at Lowton Church of England High School, and we feel it's important to showcase and celebrate the work our pupils have created.

It takes a high level of determination and resilience to produce outstanding work and it would be a great pleasure if you were able to join us in these celebrations and share the successes of your child.

There will be a range of Fine Art, Photography and Product Design work for you to view and light refreshments will be provided. Tickets are free.

The show will run from 4.30pm - 6.00pm, the Art and Technology departments look forward to seeing you there.

Yours faithfully,  
*Mrs G Sutherland - Head of Art and Photography*  
*Mr Karl Yearsley – Head of Design Technology*

---

To help us to plan for the event, please return the slip below to Mrs Sutherland or Mr Yearsley, with the number of free tickets required for the end of year exhibition by **no later than Monday 1<sup>st</sup> June 2026**. Thank you
