

15th July 2026

Dear Parents and Carers,

Year 7 Induction Days: Wednesday 26th August and Thursday 27th August

Thank you for registering for the Year 7 Induction Days. We are really looking forward to meeting your child on these days. Both days will run from 9am until 3pm. Students can arrive from 8.40am at J Block gate in the car park.

Lunch will be provided free of charge on both days from the school canteen or your child can bring their own packed lunch if they wish. Ties will be given out to students on day 2 of Induction and you will be required to pay for these on Scopay at a cost of £5.

We also have a very friendly school dog called 'D' who is located in Science. If your child has an allergy or any issue with dogs please can you email me at Thomasonl@lowtonhs.wigan.sch.uk

Students will take part in a range of academic and enrichment activities that will prepare them for the start of the Autumn term and provide them with an opportunity to meet their peers.

Wednesday 26th August – Familiarisation and Enrichment.

This day is focused on familiarising students with a new environment, friendship and confidence building for their start at Lowton Church of England High School. Students are expected to arrive from 8.40 am and enter through the J Block Entrance (entrance next to the car park). They will be directed to the Year 7 area and then they will attend a welcome assembly with Miss Clare.

Students must wear non-uniform on this day. They will also need a full set of equipment.

Thursday 27th August – Familiarisation and Academics

This day is focused on introducing students to their form tutors and form groups, practising the school routines and offering an introduction to some of the subjects they will be studying in September.

Form tutors will be moving around the school site with their form groups all day to offer support and guidance and provide an opportunity for students and form tutors to get to know one another.

Students must attend in their Lowton Church of England High School Uniform and arrive with a full set of equipment. If you have any queries, please do not hesitate to contact me at Thomasonl@lowtonhs.wigan.sch.uk

Yours faithfully,

Mrs L Thomason
Head of Year 7
