Dear Parent/Carer

Years 7 to 8 – Summer 2 Attainment Report

Your child's attainment report has been sent home today via **Satchel One**. The information you receive will be a downloadable PDF file. If you have not yet registered for this free service please use the following link <https://www.satchelone.com/login?userType=parent>.

The report provides information regarding your child's current attainment and pastoral indicators.

How to interpret attainment data

Your child has been placed in one of five current attainment bands based upon their performance. The bands indicate a likely GCSE grade at the end of their GCSE course.

Band	E	D	C	B	A
Grades	1-3	4-6	7-9		

When comparing your child's current performance against their target band, one of three indicators have been allocated. Please see the example below.

(+) This means your child is currently working above their target band.

(=) This means your child is currently working at their target band.

(-) This means your child is currently working below their target band.

Example (this is not your child's data)
