Dear parents and carers,

Important Information about starting Lowton Church of England High School

I am delighted that your child will be coming to our school in September. This is an exciting time for them, for you and for us as they start their secondary school career. I hope that at Lowton, they will enjoy their learning, build lasting memories and achieve their personal best.

We know that a child's success is most likely when all of us work closely together in partnership. We will be holding a welcome meeting for parents and their children who are joining the school, on **Monday 7th July at 5.30pm** in school. Please aim to arrive for 5.15pm so that we can start on time at 5.30pm.

On this evening, there will be a chance to meet and hear from a range of staff that your child, and you as parents, will have regular contact with. It is usually a very busy event so please be aware that places are limited to **3 seats per family**.

In addition, we will be having two full days in school on **Wednesday 27th August and Thursday 28th August 9.00 am – 3.00 pm each day**, to help settle your child into secondary school life. We expect all students to attend these two important days. Experience has shown us how well these two days pay off as part of settling in.

On these two days, it will only be the new Year 7 in school so that they get a strong chance to familiarise themselves with the school site, meet teachers and start forging new friendships within their year group.

You can already access a lot of information about school, including uniform and equipment via the school website. The link to the most relevant pages is here:
