

Weekly Careers Bulletin

WB: 27th September 2021

Post 16 options

- **You must stay in some type of education or training until you are 18.**
- There are many options available when you turn 16, look at what option best suits you and your situation, strengths and interests.
- You may be eligible for the [16 to 19 Bursary Fund](#), which can help with things like books, travel or equipment if you will struggle with education or training costs.
- If you have an [Education Health and Care \(EHC\) plan](#) there may be different and more suitable options available to you.

Continue your studies

- You could take a work-related course that will give you skills and work experience. Some courses keep your options open by giving you the chance to study different subjects. You may need specific qualifications for your career choice, so always do some research.

- [T Levels](#)
- [Technical and vocational qualifications](#)
- [Applied qualifications](#)
- [Exam retakes](#)

Combine work and study

- Improve your skills, get work experience and gain the qualifications that employers need.
- [Traineeships](#)
- [Supported internships](#)
- [Apprenticeships](#)
- [School leaver schemes](#)

A levels

- Description: Study a subject you took at GCSE in greater depth or choose a new one like economics, law or psychology. You could take 3 broad subjects you are interested in to keep your career options open or choose ones you need for a specific career.
- Duration: 2 years
- Assessment: Mostly exams at the end of the course
- [Level of study](#): 3
- Entry requirements: Course dependent, typically 5 GCSEs Grade 9-4 (usually including English and maths)
- Work experience: Usually 1 week during year 12
- Leads to: University/college, higher and degree apprenticeships, work
- Find out more: [UCAS Information about A levels](#)

T Levels

- Description: Designed in partnership with employers to give you the skills and knowledge to get on in the workplace. Combines classroom learning with industry placements to prepare you for skilled work or higher level study. 1 T Level is the equivalent of 3 A levels.
- Duration: 2 years
- Assessment: Exams, projects and practical assignments
- [Level of study](#): 3
- Entry requirements: Course dependent
- Work experience: At least 45 days on industry placement
- Leads to: University/college, higher and degree apprenticeships, work
- Find out more: [Gov.uk information about T Levels](#)

Technical and vocational qualifications

- Description: Qualifications which teach you how to do tasks specifically related to the industry and role you want to be involved in.
- Duration: Course dependent
- Assessment: Can include coursework, skills tests and exams
- [Level of study](#): 1+
- Entry requirements: Course dependent
- Work experience: Course dependent
- Leads to: Apprenticeship, work, college or university
- Find out more: Speak to your local provider or talk to an adviser

Applied qualifications

- Description: Qualifications that give you a broad overview of working in a specific sector, like business, media, engineering, leisure or science and technology. A mix of classroom-based learning with the chance to get some practical skills.
- Duration: Course dependent
- Assessment: Course dependent (coursework and exams)
- [Level of study: 3](#)
- Entry requirements: Yes
- Work experience: Course dependent
- Leads to: University/college, apprenticeship, work
- Find out more:

[Gov.uk information about applied qualifications](#)

Combine work and study: Traineeships

- Description: A course that includes a work placement that will get you ready for an apprenticeship or a job. You'll get work experience and some help to apply for your next steps. You can also improve your maths and English skills. You'll get work experience and some help to apply for whatever you do next.
- Location: You'll spend a minimum of 70 hours in a work placement with the rest of your time in college or a training centre
- Duration: 6 weeks to 1 year
- Entry requirements: You need to be aged between 16 to 24 or up to 25 with an [Education Health and Care Plan](#) with no higher than a [level 3 qualification](#)
- Qualifications: English, maths, digital and work-related qualifications
- Leads to: Apprenticeship, further education, work
- Find out more:
 - ask your local college or training provider
 - speak to your school careers adviser
 - speak to your Jobcentre Plus adviser if you receive benefits
 - [find a traineeship](#) in your area

Supported internships

- Description: Supported internships are for young people with learning difficulties or learning disabilities, who need extra support to get a job.
- Location: You'll spend most of your time on placements with an employer, learning skills for work. You'll also get help from a tutor and a job coach in college or with a specialist provider.
- Duration: A minimum of 6 months
- Entry requirements: Aged 16-24 with an [Education Health and Care Plan](#)
- Qualifications: GCSE English and maths
- Leads to: Work, traineeship, apprenticeship
- Find out more:
 - from your school or local college
 - speak to your social worker or a transition worker
 - speak to your Jobcentre Plus adviser

Apprenticeships

- Description: Intermediate, advanced higher and degree apprenticeships combine practical on-the-job skills training with off-the-job learning. You'll get training that is relevant to your job and be paid a salary. Start at a level to suit you, with support if you have special needs or a disability.
- Location: You'll spend 80% of your time in the workplace and 20% off-the-job with some study in a college, training centre or Institute of Technology (IoT)
- Duration: A minimum of 1 year
- Entry requirements: Will be dependent on the industry, job role and apprenticeship level
- Qualifications: apprenticeship certificate, diploma, degree and masters depending on level
- Leads to: Work, next level of apprenticeship, further education, higher education
- Find out more: [Gov.uk information about Apprenticeships](#)

School leaver schemes

- Description: A chance to learn and train with a large company while earning a wage. Offered in sectors like accountancy, engineering, finance, IT, law, leisure and retail. Similar to graduate employment schemes run over a longer period of time.
- Location: You'll often rotate between different locations with the same company to get experience and it can include distance learning or time in college or university
- Duration: 3 to 7 years
- Entry requirements: Usually high grade A levels or equivalent and a keen interest in the sector you want to work in
- Qualifications: A university degree and/or professional qualification
- Leads to: Professional employment
- Find out more: Directly from company websites
