Dear parents and carers

## **Year 10: looking ahead to next year.**

As we approach the end of this year, I would like to also start thinking ahead to next year for all students in Year 10 as they move into their last year at secondary school from September.

The parents' evening on Thursday 8<sup>th</sup> July is an important opportunity to discuss how your child is doing in their subjects. Bookings opened Monday 28<sup>th</sup> June at 9.00 am and will close at 9.00 am on Thursday 8<sup>th</sup> July. If you haven't already done so, please use this link to book your appointments:

This time next year, your child will have finished their time at secondary school and, hopefully, completed their full suite of GCSE examinations. With that in mind, I would like to outline via webinar to all students and parents what our plans are for their coming year.

As outlined in my weekly letter last week, the webinar for all Year 10 parents, carers and students will take place on **Monday 12<sup>th</sup> July at 5.00 pm**. Register in advance for this webinar:

After registering, you will receive a confirmation email containing information about joining the webinar.

The webinar will cover:

- Expectations to secure your child's success next year.
- Details of extra time for students across the curriculum to help secure the best possible grades.
- The plan for mock examinations.
- How you can help your child get ahead and be ready for the year ahead.
- The support available in school next year to support exam success and college choices.

I look forward to speaking with you via the webinar in the next few days.

Yours faithfully,

**Kieran Larkin**
