Dear Year 8 parents and carers

## **Year 8 parents, carers and students end of year celebration.**

As we approach the end of this most challenging of years, I want to stand back and recognise the significant achievements of so many students who have still achieved well, been resilient throughout or despite personal challenges and have given their best.

Unfortunately, we cannot hold an event in school to do this and so instead we are going to hold a webinar for all parents, carers and students to celebrate the year remotely.

The evening will include Form prizes, individual and collective recognition for contribution to school life and achievements by our students. There will be something for everyone in this event.

It is taking place on **Tuesday 13<sup>th</sup> July at 6.00 pm**

The link to sign up for the webinar is:

Please register in advance for this webinar. After registering, you will receive a confirmation email containing information about joining the webinar.

On a separate matter, please remember to complete the lateral flow tests on Sundays and Wednesdays and report the outcome to us.

Thank you for all you are doing to support your child in school in the last few weeks.

Yours faithfully,

**Kieran Larkin**  
Headteacher
