Dear parents and carers,

I am writing to explain the **Pupil Premium Grant for previously looked after children (Post CLA)**.

The pupil premium for 2021 to 2022 includes pupils who were looked after by an English or Welsh local authority immediately before being adopted; or who left local authority care on a Special Guardianship Order or Child Arrangements Order (previously known as a Residence Order).

The grant is currently £2,345 per eligible pupil and is used to give these children the additional support they need. Children who have been adopted or placed in care may often experience grief or loss. Exposure to this kind of trauma can have a lasting impact on pupils and play a significant role in their emotional development. Access to the £2,345 grant will enable us to provide specific support – assisting the children educationally and helping address their wider needs.

The grant can only be spent to benefit these pupils and must be used to improve the outcomes in the following areas:

- Academic achievement and progress
- Wider achievement, e.g. in an area that the child is academically more able in
- Attendance
- Inclusion, e.g. reducing fixed-term exclusions
- Social skills
- Transition, e.g. to a new key stage or learning provider

We currently use the pupil premium to improve outcomes for pupils by:

- Providing additional groups in certain year groups across core and option subjects
- Providing enhanced pastoral, attendance and careers support for pupils in receipt of the pupil premium grant.
- Providing targeted literacy and numeracy support in Year 7 where needed.
- Supporting curriculum access through loan of specialist equipment and provision of resources and materials.
- Additional tuition and support by individual and cohort need.

If your child meets the Post CLA criteria and the school is unaware, notifying us could help your child receive the additional support that they are entitled to. **Mrs M Harrison** (school office) would need to be see a copy of the relevant legal order before the end of term in December, in order for school to receive the funding.
