Dear Parent/Carer,

Y11 Spring term 2 - Pastoral and Attainment Report

Your child's Y11 Autumn 2 pupil report has been sent home today via Sims Parent app. The information you receive will be a downloadable PDF file, however the report can also be viewed through the app.

To register for this free service and access your child's report, you will need to provide school with an active email address. This is so we can send an activation email inviting you to join this service. If you have not provided an active email address please can you fill in the form via the school website or contact the school office.

The report provides information regarding your child's current academic performance and pastoral information. **The grade is an indicative current working grade and not the final Teacher assessed grade.**

How to interpret Current Attainment

Subjects	Target Grade	Current Grade
Subject X	8	8

The current grade indicates the GCSE target grade for each subject that your child studies.

Green - The current working grade is above, equal to or one grade below the target grade.

Orange - The current working grade is two grades below the target grade.

Red - The current working grade is three or more grades below the target grade.

How to interpret Pastoral data: Attendance and Behaviour

2020-21	Pupil A	Year Group Average	Rank Position
Attendance (Year to date)	98.2%	97.2%	8th
Achievement Points	852	478	
Behaviour Points	3	6	

Attendance percentages and behaviour totals are reported as "Year to date". Year group averages enables you to compare your child's performance against their peers. The year group attendance ranking position will be from 1 to 100, with 1 being high.

CARING, LEARNING AND SUCCEEDING

Subjects	Quality of Homework	Participation in lessons	Positive Behaviour in lessons
Subject x	N	Y	Y

Y - means that your child's quality of homework, participation in lessons or behaviour is at the acceptable school standard.

N - means that your child's quality of homework, participation in lessons or behaviour is **not** of an acceptable standard. There are concerns that we may like to discuss.

Y11 Parents Evening 22/4/21 (3.30 to 6.30pm)

On receipt of your child's report you will be able to book appointments for the Year 11 Parents evening. Due to the popularity and demand placed upon the booking system, parents are limited to 5 appointments in the first instance. This is to ensure all parents have the opportunity to book appointments with their child's teachers. From Monday 19/4/21, the 5 appointment limit will be removed and parents will be able to book further appointments in any available slots.

Our expectation is for parents to use video conferencing for the appointment. However, any parents who are unable to access the booking system, please contact the school reception for assistance or to arrange a telephone appointment. Your child's teachers will make contact within 48 hours of the Parents evening if you have requested a telephone conversation. To book an appointment please visit:
