Dear parents and carers

## **Year 7 Induction Days: Tuesday 31<sup>st</sup> August and Wednesday 1<sup>st</sup> September**

We are fully into our planning for your child to start with us in September and are really looking forward to meeting you and your child in person for the first time.

As mentioned in previous letters, we would like to invite your child to our two-day induction programme just before the term starts. The aim of this is to support transition to the school before they embark on their journey at secondary school.

The Induction Days will take place on *Tuesday 31<sup>st</sup> August and Wednesday 1<sup>st</sup> September* and will run from 9.00 am until 3:30 pm each day.

We really hope you will support us by your child attending these two days. We strongly believe it will help ensure a smooth start to term with just a little bit of time ahead of their first formal day.

During the two days, students will take part in a range of both academic and enrichment activities that will prepare them for the start of the autumn term. A full itinerary will follow shortly.

There is no cost for your child to attend and lunch will be provided from the canteen or your child can bring their own packed lunch if they wish.

If you would like your child to attend this exciting opportunity please complete the form below by clicking on the link:
