Your child's Y11 Autumn 2 pupil report has been sent home today via Sims Parent app. The information you receive will be a downloadable PDF file, however the report can also be viewed through the app.

To register for this free service and access your child's report, you will need to provide school with an active email address. This is so we can send an activation email inviting you to join this service. If you have not provided an active email address please can you fill in the form via the school website.

The report provides information regarding your child's current academic performance and pastoral information.

How to interpret Current Attainment

Subjects	Target Grade	Current Grade
Subject X	8	8

The target grade indicates the GCSE target grade for each subject that your child studies.

Green - The current working grade is above, equal to or one grade below the target grade.

Orange - The current working grade is two grades below the target grade.

Red - The current working grade is three or more grades below the target grade.

How to interpret Pastoral data: Attendance and Behaviour

2020-21	Pupil A	Year Group Average	Rank Position
Attendance (Year to date)	98.2%	97.2%	8th
Achievement Points	852	478	
Behaviour Points	3	6	

Attendance percentages and behaviour totals will be reported as "Year to date"

Year group averages enables you to compare your child's performance against their peers.

The year group attendance ranking position will be from 1 to 100, with 1 being high.
