Lowton Church of England High School wants to make the examination experience as stress free and successful as possible for all students.

We know that you will want to help support your child during their GCSE examinations and we appreciate that exam time can be stressful for the whole family.

The following tips may further help and support your child:

Encourage the rest of the family to help by not disturbing their revision

- Secure a quiet place for them to study.
- Encourage planned relaxation time.
- Praise their hard work.
- Emphasise the need for plenty of sleep.
- Check how they are doing by letting them explain something that they have learnt.
- Reading is unlikely to be enough in terms of revision. Encourage them to use the strategies shared on satchel one and during form time.
- Ask your child how they are feeling and how each of their exams has gone.

Your well-being and exams

There is no right place to revise; you need to find where works for you. You might want to consider:

- What distractions are there in your chosen place? Will they stop you from being productive? e.g. TV, your friend.
- Do you work best when you have people around you to support you, for example a family member or a friend.
- Where can you work that will enable you to be able to focus in a quiet environment.

Exams are stressful for everyone:

- You won't be alone in feeling under pressure about your exams, many other students will feel the same
- A small amount of stress can be good for you - it can motivate you to do better and to focus.

Ways to help yourself:

- Go outside for exercise and fresh air.
- Set aside time to meet up with your friends when not revising.
- Give yourself relaxation time - this helps to maximise the time you then spend revising.
- Keep up with hobbies and activities that you enjoy.
- Eating and sleeping well can also help.
- Don't revise too late at night.
- Take adequate breaks.
- Talk about how you are feeling - this could be people at home, a friend or a member of staff at school.

Before the exams

Examination Boards

The school will be using the following examining boards for this year's examinations: AQA, Pearson (Edexcel), OCR & WJEC (Eduqas).

Candidate Numbers

Each candidate is issued with a four-digit candidate number. It must be entered, along with your name, on every exam paper you sit. It will appear next to your name on seating plans and examination registers, and on the name card placed on your examination desk.

Timetable

You will receive an individual timetable showing your own specific examinations; please check this very carefully. Check that you have been entered for the examinations and tiers that you were expecting.

Please check all the personal details; date of birth, spelling of names etc. This information will appear on your certificates so it is important that it is correct.

Some candidates may have a timetable clash, where more than one examination may be taking place at the same time. Candidates will be made aware of this at the earliest opportunity and school will re-schedule papers internally for the same day. Candidates will normally be supervised in another examination room, as they must not have any communication with any other candidates. Please inform the Examinations Manager, Mrs McVey immediately if you spot a clash on your timetable.

Contact numbers

Please make sure that school has at least one up-to-date contact number, parents will be contacted for any absent student to establish their whereabouts.

Before the exams

The pencil case must be clear

Equipment

- For each examination you need to make sure you bring:
 - A **black** biro pen (plus spares)
 - A pencil (plus spares)
 - A ruler
 - An eraser
- Another extremely important piece of equipment is a **CALCULATOR**. All calculators must conform to exam rules and regulations; if in doubt check with your teacher. Please remove all covers and/or instructions. You must remember to **clear the calculator memory** before you start each examination.
- All items of equipment, pens, pencils etc., must be visible at all times. Therefore you are allowed **a clear pencil case only**.
- You are not permitted to bring 'Tippex' or correction pens into the exam room.
- Only material that is listed on the question paper is allowed into the examination room, such as anthologies, set texts etc. No 'rough or scrap paper' will be allowed. **Exam regulations are very strict regarding items that may be taken into the exam room. Any student found to have any material that is not permitted, will be reported to the exam board and risks being disqualified from the exam.**

Examination Regulations

- A copy of the **Information for Candidates for Written Examinations, Warning to Candidates and the Unauthorised Items poster** which are issued jointly by all the Awarding Bodies, are printed at the back of this booklet. All candidates must read this carefully and note that to break any of the examination rules or regulations could lead to disqualification from **all subjects**.

Attendance

- Candidates are responsible for checking their own individual timetable and arriving at school on the correct day, at the correct time, in uniform and fully equipped.
- **MORNING EXAMS WILL START AT 8.45AM**
- **AFTERNOON EXAMS WILL START AT 1.15PM**
- Please arrive in plenty of time and allow extra time to get to school so that if you are delayed, through transport problems for example, you still arrive on time.

Lateness

- Candidates who arrive late for an examination **may** still be permitted to sit the paper.
- Candidates who arrive **one hour** after the official start time of the examination or before the end of the examination for examinations lasting less than an hour, may still be permitted to sit the paper, but the Awarding Body may decide **not to accept** the script for marking. A **report has to be sent** to the Awarding Body for their consideration.
- Please inform school at the earliest opportunity if you are going to arrive late for an examination. Make your way immediately to B Block reception where a member of staff will escort you into the exam room. You must **NEVER** enter an exam room without permission.

Mobile phones and electronic devices.

DO NOT BRING MOBILE TELEPHONES, I-WATCHES, IPODS, AIRPODS, MP3/4 PLAYERS OR ANY OTHER SUCH EQUIPMENT INTO AN EXAMINATION ROOM.

IF YOU ARE FOUND CARRYING SUCH EQUIPMENT IT WILL BE CONFISCATED AND YOU RISK BEING DISQUALIFIED FROM THE WHOLE EXAM SERIES.

Possession of unauthorised items, such as a mobile phone, is a serious offence and could result in

DISQUALIFICATION

from your examination and your overall qualification.

If a mobile telephone, or any other equipment that is not permitted into the exam room, is found on your possession during an examination, it will be taken from you and a report will be sent to the Exam Board. **There can be no exceptions.**

Seating plans

- A seating plan will be in place for you, which will be displayed outside the exam room, and also on the notice board in the Year 11 area. The order of the seating plan cannot be changed and candidates must sit in the seats allocated to them on the plan.
- Name cards will be placed on a desk for each candidate stating your Name and Candidate Number. The plan is arranged according to TIER and candidate number, so you will sometimes be sitting in either FOUNDATION or HIGHER. This does not apply to every subject. Please note that you may not be sitting in the same seat for every examination, so always ensure you take the time to check the seating plan before each exam.
- Please do not write on or graffiti on the exam desks or your name card in any way. Do not turn your name card over; it is **a requirement of the examination awarding bodies that a candidate can be identified.**

Exam room

- There will be a board at the front of every exam room clearly stating the Centre Number, the Subject and Start and Finish times of the exam. There will also be a clock in every examination room.
- Candidates are not allowed to leave the examination room without the permission of an invigilator. You will be escorted by an invigilator. Candidates are required to stay in the exam room for the duration of the examination to ensure they make full use of the time and avoid disruption to other candidates.
- You may, if you wish, bring still bottled water with a **sports cap** into each examination. All labels must be removed. Fizzy or any other drinks will be confiscated.

Invigilators

- The school employs external invigilators to assist with conducting the examinations. Students are expected to behave in a respectful manner towards all invigilators and follow their instructions at all times. Failure to do so is a breach of examination rules.
- Invigilators are in the examination rooms to assist you and supervise the conduct of the examination. They will distribute and collect the examination papers, tell candidates when to start and finish the examination, hand out continuation booklets if required and deal with any problems that occur during the examination, for example if a candidate is feeling unwell.
- Listen carefully to all instructions given by the invigilators as they may have to hand out some important last minute information regarding the examination.
- Please note that invigilators or any other member of staff cannot discuss the examination paper with you or explain the questions.
- Pupils who are disruptive or behave in an unacceptable manner will be removed from the examination room by invigilators and a member of the Senior Leadership Team will be informed.

Question papers

- Each question paper clearly states on the front the SUBJECT NAME, DATE, TIME & LENGTH OF EXAM PAPER. It is extremely important that you check the **TIER OF PAPER, either FOUNDATION or HIGHER**, if applicable, **BEFORE YOU ENTER YOUR DETAILS**.

If you feel you have not been given the correct exam paper you must inform an invigilator immediately.

- Read all instructions on the exam paper carefully.
- **Ensure you write your LEGAL NAME, CANDIDATE NUMBER & the CENTRE NUMBER on all question papers and any continuation booklets.** Continuation booklets must be placed inside the answer booklet in the order used.
- Examination papers are scanned by the examination boards Do not draw, graffiti or write inappropriately on the examination papers in any way – if you do the examination board may refuse to accept your paper, they will report this to us.
- No question papers, answer papers, continuation booklets or texts may be taken from the exam room.
- At the end of the examination the invigilators will collect in all exam work. Remember to cross through any rough work you do not want marking and ensure you have put your details on every answer/continuation booklet. You are still under exam conditions at this point and must remain in absolute silence until you have left the room.

Fire Alarms

- If the fire alarm sounds during an examination the invigilators will ask you to stop writing and a note of the time will be made. If you have to evacuate the exam room, you will be asked to leave everything on your desk and leave in SILENCE. You will be escorted to a designated area. **You must not attempt to communicate with another candidate in any way, you are still under examination conditions.**
- When you return to the exam room you must not start writing until instructed to do so by the invigilators.
- You will be allowed the full working time for the exam and a request for special consideration for the disturbance will be sent to the Awarding Body.

Access Arrangements

Access Arrangements means making adjustments for candidates with specific needs, in line with the Awarding Bodies rules and regulations.

- Candidates who are entitled to Access Arrangements will have been made aware of this by a member of the Special Educational Needs Department.
- Candidates may be allocated a separate exam room from the majority of the candidates to ensure their needs are met and kept within the Awarding Bodies rules and regulations. If you are unsure, please see a member of the Special Educational Needs Department or the Examinations Officer.

AI and Assessments A quick guide for students

What is AI?

- AI stands for artificial intelligence and using it is like having a computer that thinks
- AI tools like ChatGPT or Snapchat My AI can write text, make art and create music by learning from data from the internet, but watch out – they can also make things up and be biased

How can AI be misused in assessments?

AI misuse is when you take something made using AI and say it's your own work.

THIS IS CHEATING!

How do I make sure I don't misuse AI?

1 Know the rules

- You're **not allowed** to use AI tools when you're in an exam
- Your teachers will tell you if you're allowed to use AI tools when doing your coursework – the rules will depend on your qualification
- Even if you're allowed to use AI tools, you can't get marks for content just produced by AI – your marks come from showing your own understanding and producing your own work

2 Reference reference reference!

- If you're allowed to use AI tools, you must reference them clearly
- Name the AI tool you used
 - Add the date you generated the content
 - Explain how you used it
 - Save a screenshot of the questions you asked and the answers you got

3 Declare it's all your own work

– When you hand in your assessment, you have to sign a declaration. Anything without a reference must be all your own work. If you've used an AI tool, don't sign the declaration until you're sure you've added all the references

REMEMBER

Misusing AI is cheating!

Know the rules

Talk to your teachers

Reference clearly

What happens if I misuse AI?

If you've misused AI, you could lose your marks for the assessment – you could even be disqualified from the subject.

DON'T RISK IT!
