

21st March 2022

Dear Parent/Carer,

Year 9 Options Booklet and Options form

During form period today, all year nine students have been provided with an options booklet containing their options form, information about the process and subject specific GCSE information. Students have also been given a printed copy of their most recent February attainment report.

The deadline for returning your child's options form is Friday 22nd April. Parents and students will be notified of course allocations by Monday 23rd May. For parents and carers of SEND students, Mrs Cooper (Leadership Director: SEND and Inclusion) will arrange separate conversations regarding your child's option choices.

Students can complete their option choices via a Microsoft forms survey posted on satchel one or through the link below:

Although the online form is the preferred method, a paper copy has also been provided and this can be returned to Miss Butterworth in A block office.

On Thursday 17th March we held an "Options Webinar" for students, parents and carers to explain the options process and how we will support students and parents through the process. If you were unable to attend the webinar a link to the recording is located below:

Further information can be found on the school website and if you have any queries relating to the options process or require further information please contact us via **options2022@lowtonhs.wigan.sch.uk**.

Yours faithfully,

Mr P Carter
