

Year 7 Catch-Up Premium Plan

Academic Year 2018-2019

The Year 7 Catch-Up Funding is a government initiative designed to target resources on those students who have not met expectations in the Key Stage 2 tests in English and Maths.

For 2018-19 we have been allocated £8608 based on the need of our intake.

Students' progress is monitored carefully to ensure that the Catch up programme is having impact. Outlined below is the intake information for this year group and how the school plans to use this funding to support our students. The Year 7 Catch Up strategy will be reviewed fully to evaluate its impact and to inform planning for September 2019. Ongoing monitoring will take place as part of our regular strategic evaluation to ensure pupils make progress.

Year 7 Catch-up Data Table 2018-2019

Sept 2018	Number of Male	Number of Female	Total
Year 7 on roll	73/52%	68/48%	141/100%
KS2 Maths < 100	13/18%	13/19%	26/18%
KS2 English < 100	21/29%	9/13%	30/21%
KS2 Average high school ready <100	14/19%	12/18%	26/18%
Number of pupils in Y7 Catch-Up Cohort	23	14	37 (26%)

Key Stage 2: Proportion of Students Meeting Expectations On Entry

	Reading	GPS	Maths	Writing (TA)	Secondary Ready
National LAST YEAR	71%	77%	75%	76%	71%
School	75%	72%	78%	82%	78%
Difference	+4	-5	+3	+6	+7

Strategy	Cost	Intended Impact
1 small literacy group for 2 lessons each per week delivered by HLTA & MFL provision	£1050	<ul style="list-style-type: none"> To raise literacy levels of students within the cohort in relation to reading, spelling, comprehension or fluency. Through use of corrective reading, accelerated reader and phonics intervention. Progress will be measured by ability ages and standard scores. For students to make progress towards their challenging end of year targets in English, students should reach expected as their target positions to demonstrate good progress from KS2 starting points. To help pupils access the curriculum through delivery of literacy strategies and techniques. Measured through target position of cohort across their whole curriculum.
