<b>Year 10 Rationale</b>						
<b>Year 11</b>	Town and local area Visiting a region	Holidays	Jobs	Environment and Social Issues	Revision and exam techniques	
<b>Year 11 Rationale</b>	The focus of Year 11 is to continue to develop exam skills and techniques whilst further building on previously learned vocab, structures and grammar. The focus of the Summer term is exclusively on revision.					
<b>Year 11 Assessment</b>	Each unit students complete an open book IA in their Book B. At the end of the unit, they complete a listening, reading and writing or speaking KA. Two mock examinations are completed in all four skill areas to prepare students for the demands of the GCSE examination. A comprehensive revision programme is carried out including classes and a structured homework revision calendar. Regular examination style questions are completed on all topic areas.					<b>Year 11 Assessment</b>
