Dear Parent or Guardian

I am writing again to ask for your support in enforcing our uniform rules. The vast majority of our students come to school looking smart however there are a minority of students who are challenging the rules.

Please may I therefore remind you of the following expectations regarding uniform:

- Full uniform must be worn correctly to and from school and during the school day.
- Hooded tops and tracksuit tops must not be worn and will be confiscated.
- Plain black footwear must be worn. Trainers or sportswear branded footwear are not allowed.
- Extreme hairstyles, including markings in hair and bright colourings, are not permitted. The minimum length for boys' haircuts is a number 1.
- No obvious makeup or fake tan will be allowed.

To be clear, items NOT allowed are:

- Hoodies/jumpers/tracksuit tops/trainers
- Smart watches
- **Gilet/body warmers ***

* Students may wear a school grey jumper in the cooler weather and an outdoor coat. Many are opting to wear a body warmer/gilet, this is NOT part of school uniform and is a fashion item. **Students will not be able to wear these from 7th May onwards.**

Students who arrive in school without meeting these expectations may be sent home until they return correctly dressed. Parents will be informed before students are sent home. **Students who do not wear their uniform correctly will have the privilege of summer uniform removed and will have to attend in their normal winter school uniform.**

It is important that all students play their part in maintaining high standard of uniform and appearance and I am sure I can count on your support in encouraging them to do so.

Yours sincerely

J Pollard
