

# Lowton Church of England High School

Headteacher: Mr Julian Pollard BSc (Hons) NPQH

13<sup>th</sup> May 2019

Dear Parent/Carer

This is a crucial time for your child as the GCSE exams continue and it is important that we work together to help our students achieve the best possible grades. With this in mind, during the May half term holidays, we are offering Year 11 students the opportunity to come into school to attend a series of workshops which will help them to revise.

The table attached indicates the workshops, with dates and times, which will be running. In order to fulfil health and safety requirements it is crucial that your child signs in at B Block reception area on entering school and signs out when they leave. Additionally, your child will need to bring lunch/refreshments as the catering facilities will not be available.

Reminders will be posted on the school's Facebook page and any alterations to this schedule will be communicated via text parent.

Please could you fill in the reply slip below indicating whether your child will be able to come and which workshops they will attend?

I hope that your child will take advantage of this valuable opportunity to boost their GCSE grades.

Yours sincerely

**L Foulds**  
**Head of English / Senior Standards Lead Teacher**
