

June 2019

Dear Parents/Carers

## Whole School Reward Event

I am writing to notify you of a change to our end of year rewards for students.

We will be holding a Rewards Day on Tuesday, 16<sup>th</sup> July. On this day students will participate in a year group rewards ceremony and this will replace our traditional evening event. We have made this decision based on feedback from staff, students and parents. We want students to be able to participate in a rewards event and believe that holding the event in school time will promote a culture of achievement amongst all students.

The times of the rewards ceremony are as follows:

Year 10	8.45am
Year 9	10am
Year 8	11.45am
Year 7	1.20pm

Parents are very welcome to attend the rewards ceremony. I will write to you with more details nearer the time but I wanted to give you early notice so that if you would like to attend to will be able to arrange your diary accordingly.

Yours sincerely

J Pollard  
Headteacher
